## Mindset and Direction

### – Mindset,

- Increase your inner strength and confidence to **take on any challenge that stands in the way of reaching your top potential.**
- Become incredibly trustworthy using universal laws so you don't only trust yourself, but also **gain respect and trust from others.**
- Develop laser focus when it comes to making **better and faster decisions** to reach your goals quicker than ever before.
- Unleash your **"inner warrior"** and empower yourself to take **unconditional action** in spite of your fears, doubts, barriers and obstacles.
- Learn to become crystal clear about what you want, need, and deserve, so you can **actually achieve your goals** (instead of just dreaming about them).
- Finally **stop seeking other people's approval** and pursue the goals that truly fulfill you – not the goals you think will impress everyone else.
- Be less angry and frustrated with others and yourself, so that you can **build healthier relationships** that work for you instead of against you.
- Be less judgmental and critical to others and yourself so that you can stop focusing on problems and **focus on solutions** instead.
- Shut down your fear-based "monkey mind" and learn to **liberate your True Self** — the original person you were when you came into this world.

Each module in the program is designed to help you **master your mind** and **develop your character**, so that you can succeed no matter what and to fulfill your destiny...

## - Direction

- **4 step-by-step, in-depth modules with hours of transformational content.**
- A series of **5 advanced clearing exercises** to remove your blocks so there's **nothing stopping you** from seeing what's really within.
- Unique exercises to uncover your **real dreams and desires**, your **inborn strength and skills**, your true **natural talents**, your **hidden interests** and much more.
- A time-tested and **proven strategy for determining your specific passion** (and how to be certain it's the right one for you).
- **7 powerful guidelines to discover or confirm the true reason you are on this earth.** There will be no doubt. You will finally be in full alignment with your heart and your spirit.
- **A special 4-step template for creating a personal mission statement** that articulates your purpose clearly and concisely in a way that you truly resonate with.
- A '**blueprint**' for **packaging what you love to do** and what you are here to do into a vehicle to **Prosper** you.
- An action plan you can use immediately so you can get started right away to help **yourself**, but really **make a huge difference in other people's lives.**
- **A professionally designed workbook** in printable PDF format for jotting down all key points, biggest learning, and powerful writing exercises.

What did Michael Jordan, Princess Diana, and Other famous people all have in common? They all used coaches. Even at the peak of their careers, great leaders continue to use coaches to help them achieve more.

### **Who is this not for:**

People who are not totally committed, who like to complain and make excuses.

Anyone not serious about growing the Kingdom of God

Anyone not serious about fulfilling their destiny

People who like bouncing around at the next shiny object

Who are afraid to make decisions, to take action and who are just information collectors who jump from one training to another but will never follow through on anything.

## **Who is this for?**

You have a strong *calling* to help people excel in their purpose.

You want to live up to your Full Potential.

You have a high interest in expanding the Kingdom of God.

You have a high interest in sharing the Gospel.

You want to fix problems now and are willing to make that investment in yourself.

You are committed to taking action.

You're serious about getting results for yourself and others.

You have a desire to build a Trusted Advisor (coaching) Agency
